AMA Chapter 1091

**We are hoping everyone will join us for another exciting
Air show in Northern Michigan.**

You won't want to miss it!

Flying will be at the TRAMPS home field in Traverse City. There is plenty of room for you to showcase your acrobatic talents or just cruise around in the beautiful skies. We fly off a well-groomed flat grass runway. We welcome all types of aircraft and expect Jets, Giant Scale, Military, Helicopters and Trainers. If you bring it, chances are, you can fly it.

Whether or not you fly Radio Control Aircraft, we would like to invite you to come join us. If you have never been to our show, we can promise you will be talking about it for weeks after. You can never tell what might be in the air at the TRAMPS Air Show.

**Our field is located on Rennie School Road, in Traverse City, MI
Two miles North of the intersection of US 31 and US 37.**

Hope to see you there,

Bring a chair and spend the day.

**This is an AMA sanctioned event. Pilots must have current
AMA card in their possession to fly**

Concessions and camping will be available on site.
