

BARC Newsletter

May, 2015

From the editor: Chris Bobek

The dinners out with the club over the winter have been a lot of fun, and I know the wives have enjoyed it as much as the guys. It sure is nice to get out of the house and have dinner with everyone on a some what regular basis. I know Sally and I want to keep this up during the summer.

Something we are going to bring back this summer is grilled hot dogs from time to time at Thompsonville airport on Thursday evenings, maybe a couple times a month. Fred will be sending out emails letting everyone know before hand. All you will need to bring is a chair and your own drink. Maybe once in awhile we can include some salads, etc, and get the ladies over to watch us fly.

This spring we will be cutting back some small trees on the east side of our flying area. We received permission from the airport last fall and we just need to drag the trees over to the brush pile. So, after it warms up and it looks like we might have a dry Saturday, maybe you can lend a hand. Fred will send an email to let you know when.

Plans are already in the works for our spring air show. We always have a great time. Getting everything set up and ready is half the fun. More information will be coming as it gets closer. The event is set at the Thompsonville Airport on May 16.

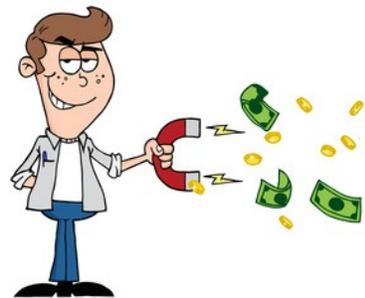

Fred plans to have a club meeting sometime this month. Check your emails for time and place.

A reminder that our club dues are to be paid by June 1. Some members have already paid for the up coming year. You are welcome to send in your dues anytime before June 1. Just make your check payable to BARC for \$35 and mail it to

I would like to have some articles from you to put in the newsletter. It can be as simple as a picture of some new plane you bought with a note about it, name, manufacturer, wing span, etc. Maybe you have some pictures of something you are building that you could tell us about. I would love to have more to show and tell in the newsletter. Mail to the address above, or email to chrisbobek@acegroup.cc.
